Dear Colleague,

Parish Child Protection Co-ordinators

As you know, the Diocesan Child Protection Pack which you should have received last year requests every parish (or benefice) to appoint someone as Co-ordinator for the implementation of its Child Protection Policy.

We do not anticipate this role being at all onerous but would like to offer some basic training for those who take it on. Further details of the training will be provided in due course. Meanwhile, it would be very helpful, from our point of view, if you could **please let your Rural Dean** have the name and address (and e-mail address if known) of your Parish or Benefice Co-ordinator. We can then communicate directly with the Co-ordinators about dates, times and places. Rural Deans will be expecting this information which we hope to receive by the end of February 2006 at the latest.

You may wish to use the Response Form at the bottom of this letter. Thank you so much for your help.

With all good wishes.

Yours in Christ.
