Ablaze 2009.

Faith for Life!

Ablaze 2009 is an all night youth event held at Carlisle Cathedral on Friday 30th October till Saturday 31st October 2009.

There are three aims for Ablaze 2009.

Empowering.

Ablaze 2009 starts mid afternoon with an opening event at Carlisle Cathedral. There are then a series of workshops and seminars. These include, a main speaker on how to "Keep faith at school". Other workshops include music, song writing, video editing, drama, dance, sports, breathe, leading worship (eg at youth congregations), youth councils, graffiti, magic ...and lots more (a total of 22 to choose from!). There will also be workshops for leaders. Then there is food and the results of the video competition. There are only 200 tickets for this part of the day, but they include food and free transport from various pick up points around the county.

Celebration.

The main evening event is one of celebration. This includes worship by two Cumbrian young peoples groups, guest speaker the new Bishop of Carlisle, and Special guests THEBANDWITHNONAME. There are extra tickets available for this part of the event (evening only).

Fellowship.

Midnight is the launch of the Midnite Feast and night Hawk. All through the night will be films, activities, chill out space, breathe and the all night cafe. Musicians and singers are invited to come and perform at the Open Mic as part of the all night Cafe. We finish with breakfast and closing worship. You need to have a full ticket to be at this part of the event.

Tickets: There are three types of tickets.

1. Evening only ticket. From 7:30 till midnight. Cost £10.
2. Full ticket. From 3pm on Friday till 9am on Saturday. Cost £20.
