

Exploring Luke's Gospel

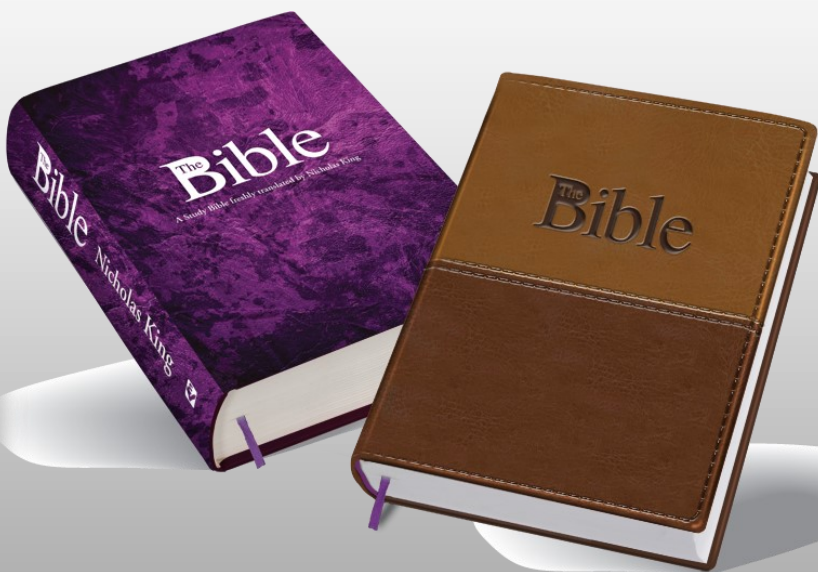

With Father Nicholas King SSJ.

Saturday 16th April 10am - 4pm
at Carver (URC/Methodist) Church,
Lake Road, Windermere LA23 2DB

Nicholas King is a lecturer at Oxford University. He is a well-respected New Testament scholar and has been working on The Old Testament a ground-breaking translation from the original Greek for the past few years and has also completed his New Testament Study Guides.

Nicholas King's aim has been to keep as close to the original Greek as possible, frequently incorporating idiomatic or grammatical peculiarities. The result is a translation which is exceptionally stimulating and sometimes startling. Readers will find that it shakes off the dust which often settles on passages that have become tired from over familiarity or frequent quotation.
