

We want growth...

Young - a cultural change

- child / family friendly churches
- new generation of youth leaders - youth congregations - youth work
- involvement in schools - church and not, primary and secondary
- growth in numbers and involvement

Rural

- country churches at heart of local community
- issues: understanding, advocacy, shared responsibility - one diocese
- positive about small: distinctive, lively, growing

Vocation / Ministry / Training

- clergy: valued; equipped and developing as leaders in mission
- lay people: clear about faith, confident in sharing, active in ministry
- local structures organised for growth

Diocese - *supporting growth through:*

- central spending: transparent, controlled, tested against growth
- expenditure on local ministry maximised
- trust between parishes, and trust of Diocese - each doing their best
- realistic and generous parish offers
- Growth Fund
